Understanding Temptation

When it comes to *temptation* and *sin*, there's an important distinction to make: Temptation is not sin. When you are tempted, you are faced with a choice. You still have the opportunity to resist and not fall into sin. But when you succumb, then you've gone from temptation to sin. So if you find yourself struggling with temptation, you haven't done anything wrong yet. Just make sure you look to God for help, for He has promised, "No temptation has overtaken you except such as is common to man; but God is faithful, who will not allow you to be tempted beyond what you are able, but with the temptation will also make the way of escape, that you may be able to bear it" (1Corinthians 10:13).

Lord, thank You for the promise that you will help me to bear every temptation that comes my way today. When I am tempted, help me remember to run to You. Amen
